TERMINAL DISCLAIMER

Sir:

Petitioner Cognis Corporation, whose place of business is 5051 Estecreek Drive, Cincinnati, OH 45232, USA, represents that it is the owner of the entire interest in the above-identified application. Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term defined in 35 U. S. C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of a patent granted on commonly owned United States Patent Application Serial No. 10/879,340. Petitioner hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that it and any patent issuing on U.S. Serial No. 10/879,340 are commonly owned. This agreement runs with any patent granted on the above-identified applications and is binding upon the grantee, its successors or assigns.

Appl. No.: 10/736,190
Response dated September 15, 2005
Reply to Office action of April 18, 2005

In making the above disclaimer, petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of a patent granted on U.S. Serial No. 10/879,340, as presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found Invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any other manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

For submissions on behalf of an organization (e.g., corporation, partnership, university, government agency, etc.), the undersigned (whose title is supplied below) is empowered to act on behalf of the organization.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The Commissioner of Patents and Trademarks is hereby authorized and requested to charge the fee of \$130.00 for a terminal disclaimer, or whatever fee is actually required, to Deposit Account No. Order No. 05-0347.
